BUILT IT AND THEY WILL COME

About Swimplex

Swimplex Aquatics are a world-class company dedicated to the commercial pool, water slide industry. We are Australian market leaders servicing all states Australia wide.

Our specialist services include; pool construction, renovation, refurbishment, filtration, heating, waterslides and the manufacture of innovative pool products. We also specialize in the installation of Myrtha Pools and water treatment plants in addition to the manufacture and supply of our own quality proprietary products including; WETDECK© grating, lane ropes, starting platforms and pool covers.

Swimplex provide a full comprehensive water slide package from design, engineering through to civil works, installation and after sales service. We can deliver an innovative water slide project for any budget.

Our extensive experience and expertise combined with quality and value means you can be assured of a first class outcome.
